

Impact-Rated 21" x 15"
Craftsman Glass Size

THERMA-TRU
DOORS

NEW
Available August 2015

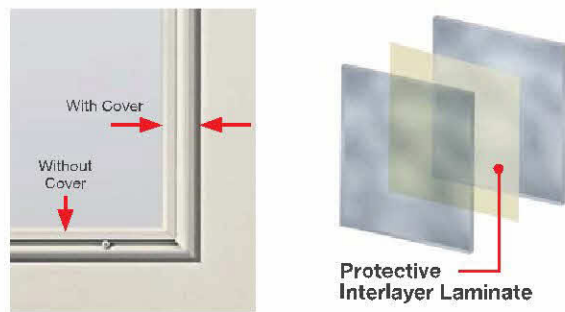

As Craftsman-style architectural elements grow in popularity, Therma-Tru introduces a true Craftsman-sized lite in Impact glass for added protection with a sense of style.

- Small lite option offers natural light in the home while maintaining the sense of privacy that comes with a solid door.
- A natural upgrade from a solid door to a door with glass for projects with limited budgets.
- On-trend glass designs and authentic accessories for coastal cottage looks with true Craftsman appeal.

Impact-Rated Glass

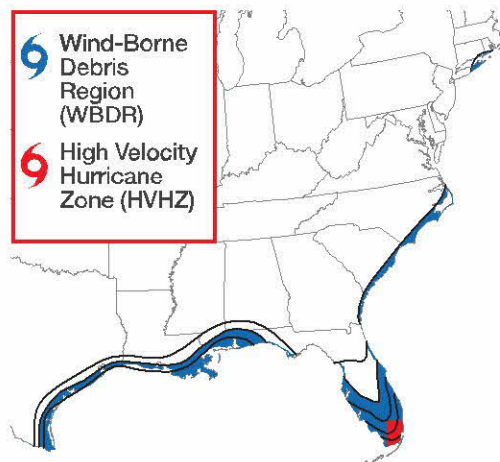

Constructed to help protect the interior of the home from flying debris and high winds associated with tropical storms and hurricanes.

- Special laminated glass construction.
- Durable, paintable aluminum Impact Lip-lite frame.
- Passes a large missile impact test.

WDBR / HVHZ Options

Meets codes and regulations in coastal regions, including parts of Florida, Texas and the Carolinas.*

*Must be installed as part of a Therma-Tru door system in compliance with a Therma-Tru product approval.
Note: See your Therma-Tru seller or visit www.thermatru.com for details on available product sizes and options.
